PSA WINS SEATRADE ASIA 'CONTAINER TERMINAL AWARD' FOR SECOND YEAR

PSA won the "Container Terminal Award" for the second consecutive year at the Seatrade Asia Awards 2009.

Mr Roger Tan, Managing Director for PSA's Tianjin terminals in China, received the award on behalf of PSA during the ceremony held at Pudong Shangri-La hotel in Shanghai.

The Seatrade Awards is an internationally recognised event in its 21st year that celebrates and rewards excellence and innovation in the maritime sector. This is the second time that the Asia version of its Awards has been held.

The award entries were judged by an independent panel drawn from the top echelon of the region's maritime scene, and they were assessed based on various criteria such as contribution to the development of the maritime sector across the region, innovation, commitment to safety and quality, social and environmental responsibilities, business achievements and personnel development.
